

# Shake

## Small Faces

Listen while I'm talking to you  
I tell you what we're going to do  
There's a new thing goin' around  
And I'll tell you what it's puttin' down  
Move your body all around

And do, shake  
early in the morning  
Shake  
I said, later in the evening  
Shake  
I'm long gone baby, now  
Shake

Shakin' like a bowl of soup  
Legs go loop the loop  
Put you hand upon your hip, now  
Come on, and let your back bone slip, yeah  
Move your body like your hip

Now, do, shake  
early in the morning  
Shake  
I said, later in the evening  
Shake  
That's the way you do it, now  
Shake, come on

Ding a ling a ling  
Oh baby, shakin' is the latest thing  
You wanna really roll  
You got to do this thing with soul

If you wanna really roll  
You gotta do this thing with soul  
Shake it, shake with all your mind, yeah  
If you do it, do it right, now  
Make you body loose  
And do, shake  
early in the morning  
Shake  
I said, later in the evening  
Shake  
I'm long gone baby now  
Shake

If you wanna really roll  
You gotta do this thing with soul  
Shake it, shake with all your mind  
If you do it, do it right, now  
Make you body loose  
And do, shake  
Early in the morning  
Shake  
I said, later in the evening  
Shake  
I'm long gone baby, now

Shake, oh yeah

All right

Early in the morning

Later on the evening

I says, come on children

You gotta get on the sea with me
