Smallpools

Over now, stay close  
Oh they go

I see you waiting, see you waiting, what you waiting for?  
Over now, stay close  
Over now, stay close  
Oh they go  
Over now, stay close  
Oh they go  
Oh they go  
Over now  
I see you waiting, see you waiting, what you waiting for?  
I see you waiting, see you waiting, what you waiting for?  
I see you waiting, see you waiting, what you waiting for?
