

# Merry Go Round

## Smash Into Pieces

There's a side of you I love  
There's a side that I'm sick of  
No one gets me high like you  
No one breaks me down the way you do

We've played this game so many times  
Used the same old lies, said our last goodbye  
Still I keep coming back for more  
I just want you for one last time

You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again  
I'm addicted to  
You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again  
That is how we ride  
On the merry-go-round  
On the merry-go-round  
On the merry-go-round

I can't tell the wrong from right  
And I don't know why when we fight  
I'm too lost in you to see  
That the thing we have is not meant to be

We are waiting for the weekend rush  
When life doesn't suck, when there's a chance we'll fu'  
I realise this won't work no more  
I just want you for one last time

You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again  
I'm addicted to  
You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again  
That is how we ride  
On the merry-go-round  
On the merry-go-round  
On the merry-go-round  
Round and around  
Round and around  
Round and around

I hate that I love what I hate  
And I can't escape  
I can't find no cure  
I hate that I love what I hate  
I'm thinking that  
I'm addicted to... you

You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again

I'm addicted to  
You hate me when I break up  
You save me when I fuck up  
You love me when I'm back again  
That is how we ride  
On the merry-go-round  
On the merry-go-round  
On the merry-go-round  
That is how we ride  
On the merry-go-round  
On the merry-go-round
