

My Precious

Smash Into Pieces

My friends they say that I don't see
That there's some kind of curse around you
I think they're watching jealously
Cause I'm the one that keeps you
Feels like I'm king with no crown
I just wanna wear you
Like you're a ring that ties me down
Together endlessly

I don't care what they say
I want you anyway
I need you wrapped around me
My precious (oh oh oh)
My precious (oh oh oh)
You are my precious (oh oh oh)

When I'm with you I'm someone else
Someone that follows where you lead me
I can not stop you're haunting me
It feels too good around you
Feels like I'm king with no crown
I just wanna wear you
Like you're a ring only mine, mine!
You belong to me

I don't care what they say
I want you anyway
I need you wrapped around me
My precious (oh oh oh)
My precious (oh oh oh)
You are my precious (oh oh oh)

Sometimes I'm afraid they will take you away from me
I would make them pay, burn the ones who betray you see
I'll do anything as long as I'm the king (king)
My love my own my love

I've sacrificed everything I was to be with you
A sheriff in a ghost town
If my friends are right I'm in bed with the enemy
I'm in too deep to get out
And if they are wrong I am where I belong

I don't care what they say
I want you anyway
I need you wrapped around me
My precious (oh oh oh)
My precious (oh oh oh)
You are my precious (oh oh oh)
You are my precious (oh oh oh)
My precious
You are my precious
