First-time lovers (2x)

I'd never felt like this before
When I first saw you, I knew it was magic
Then you came knocking on my door
I opened up and then my wish came through

First-time lovers
Loving for the first time
First-time lovers
I know that your heart will be mine
First-time lovers
A love that is one of a kind
First-time lovers
I'm never gonna change my mind

It's almost too good to believe
When I'm with you, my world is upside-down
You're so incredible to me
And I just know you'll make my dreams come true

First-time lovers
Loving for the first time
First-time lovers
I know that your heart will be mine
First-time lovers
A love that is one of a kind
First-time lovers
I'm never gonna change my mind

I'll love you endlessly
'Cause you're my destiny
Love you endlessly
'Cause you're my destiny

Now that I've found you
I don't wanna lose you
This love's forever
'Cause we are
