Everybody's sayin' that you need someone  
Tell me, could that someone be me  
Nobody wants to be the one left lonely  
But you don't have to be

Where did it go  
The love you used to know

Maybe I am the one who needs you  
Maybe I am the one to love  
Maybe I am the one that you wanted  
To be there for the rest of your life  
Maybe I am the one

Everybody needs someone to hold on to  
Tell me, could that someone be me  
I'll set you free  
Nobody wants to be lonely  
But you don't have to be

Where did he go  
The man I used to know

Maybe I am the one who needs you  
Maybe I am the one to love  
Maybe I am the one that you wanted  
To be there for the rest of your life  
Maybe I am the one

Where did he go  
The man I used to know

Maybe I am the one who needs you  
Maybe I am the one to love  
Maybe I am the one that you wanted  
To be there for the rest of your life  
Maybe I am the one

Maybe I am the one who needs you  
Maybe I am the one to love  
Maybe I am the one that you wanted  
To be there for the rest of your life  
Maybe I am the one

Maybe I am the one  
Maybe I am the one
