Smokey Robinson

You think I want you for just my friend

Asleep on my love  
Asleep on my life  
Asleep on my love  
Asleep on my life

Maybe it's your intent to deceive  
Trying to hide what you know  
'Cause I find it so hard to believe

Asleep on my love  
Asleep on my life  
Asleep on my love, yeah  
Asleep on my life

(Asleep on my love)  
And I'd do everything to make you aware  
(Asleep on my life)  
That another feel for you is really there

Asleep on my love  
Asleep on my life

You know I come whenever you call  
Oh, and I'm always ready to give my all in all  
Yet when crisis is over

Asleep on my love  
Asleep on my life, yeah  
Asleep on my love, yeah  
Asleep on my life

Oh, baby  
Oh, baby, oh, baby

Asleep on my love, yeah  
Asleep on my life  
Asleep on my love  
Asleep on my life  
Asleep on my love  
Asleep on my life  
Asleep on my love, yeah  
Asleep on my life  
Asleep on my love  
Asleep on my life
