

# Food For Thought

Smokey Robinson

Hey, tobacco man  
Tell me if you can  
How much money would you make off that cigarette  
If your only son should partake  
And then proceed to get  
T.B. or Cancer, I got to know the answer

Industrial tycoon  
You must see pretty soon  
If you don't stop pouring that poison waste  
Down into the water  
There might not be any left to taste  
Think of your thirsty daughter  
You'd sure sound funny  
Saying, "come on, honey  
Let's try to drink this money"

Well, I'm not trying to tell you what to do  
But he who spins the web sometimes gets caught  
I'm not trying to fill you full of bull  
I'm just feeding you some food for thought

(Food for thought)  
A little food for thought  
(Food for thought)  
(Food for thought)  
Yes I am  
(Food for thought)

Hey, man on the run  
Out there having fun  
Trying to gander all the geese  
Stallion all the mares  
At home, she's immune to all your excuses  
For not being there  
Now maybe she's got  
Somebody there when you're not

Well, I'm not trying to tell you what to do  
But he who spins the web sometimes gets caught  
I'm not trying to fill you full of bull  
I'm just feeding you some food for thought

(Food for thought)  
A little food for thought  
(Food for thought)  
You better listen, people

(Food for thought)  
A little food for thought  
(Food for thought)  
Trying to tell you  
(I'm just feeding you some food for thought)  
Trying to tell you  
(Food for thought)

Well, mother who's a wife

Don't misuse your life  
Makin', takin' care of babies  
All you ever do  
You've got to fill daddy's needs  
'Cause he's your baby too  
Your attention slipping  
Will make daddy start tipping  
Out, that is

Well, I'm not trying to tell you what to do  
But he who spins the web sometimes gets caught  
Oh, I'm not trying to fill you full of bull  
I'm just feeding you some food for thought

(Food for thought)  
A little food for thought  
(Food for thought)  
You better listen, people  
(Food for thought)  
A little food for thought  
(Food for thought)

Trying to tell you  
(I'm just feeding you some food for thought)  
Trying to tell you  
Listen, people  
(Food for thought)  
Food for thought  
(Food for thought)

Listen, people  
(I'm just feeding you some food for thought)  
Trying to tell you  
Food for thought  
(Food for thought)  
Oh-oh, food for thought  
(Food for thought)

Listen, people  
(I'm just feeding you some food for thought)  
Trying to tell you  
Trying to tell you  
Trying to tell you  
A little food for thought...
