

# Love Don't Give No Reason

Smokey Robinson

I do believe my mom and my dad must  
Have been the happiest couple that I've ever seen  
He used to bring her flowers or a gift just  
Because the sky was blue and the grass was green  
But I can recall  
The night that daddy came and shocked us all  
Said this is goodbye  
Through both their tears  
I remember momma asking why, he said...

Love don't give no reason  
Love don't give guarantee  
Love may last a season  
Or love may last eternally  
See, love don't change for you or me  
Just to know about love  
I just don't know about love  
Nobody knows

Sometimes a man just out to have a good time  
Can meet somebody who captures his heart and mind  
Sometimes a woman who's faithful to her man can still  
Fall for somebody else against her own will  
We were two lovers  
I thought that I was doing everything right for you  
But you found another  
And when I asked you what I did  
Or what I didn't do, you said...

Love don't give no reason  
Love don't give guarantee  
Love may last a season

Or love may last eternally  
See, love don't change for you or me  
Just to know about love  
Just don't know about love, ooh...

Love is like lightning  
You don't know when or where it's gonna strike  
Love can be frightening  
Sometimes you love somebody that you don't even like

Love don't give no reason  
Well, well, well  
Love don't give guarantee, ooh...  
Love may last a season, oh...  
Or love may last eternally  
See, love don't change for you or me  
Just to know about love  
Just don't know about love

Don't know, don't know, don't know, don't know  
Just don't know about love, ooh...

Love don't give no reason, well  
Love don't give guarantee, no, no

Love may last a season, oh...  
Or love may last eternally  
See, love don't change for you or me  
Just to know about love

Nobody knows about love  
Don't know, don't know, don't know  
Don't know, don't know, don't know  
Don't know about love  
Just don't know about love...
