

# Merry-Go-Ride

Smokey Robinson

If you could only let me in  
I know that love, it would begin  
If only I could rap to you  
I know this love would capture you

Yes, and take you on a merry-go-ride of love, oh...  
A spinning, turning, floating on air kind of love

Come on, give in, baby, come with me  
Your troubled mind and hang-ups, I'll set them free  
Come into me, 'cause I'm into you  
Unleash your massive passion, let love come through

Yes, and take you on a merry-go-ride of love, oh...  
A spinning, turning, floating on air kind of love

Don't you want to ride  
Don't you want to ride

Yeah, take you on a merry-go-ride of love  
A spinning, turning, floating on air kind of love  
Yeah, take you on a merry-go-ride of love  
A spinning, turning, floating on air kind of love

Don't you want to ride  
Don't you want to ride  
Don't you want to ride  
Don't you want to ride  
Don't you want to ride

(Ride)  
Yeah, on a merry-go-ride of love  
(Ride)  
Yeah, ride on a merry-go-ride of love

I'll take you on a merry-go-ride of love  
A spinning, turning, floating on air kind of love  
Take you on a merry-go-ride of love, yes  
A spinning, turning, floating on air kind of love

Yes, I'll take you on a merry-go-ride of love  
A spinning, turning, floating on air kind of love  
Take you on a merry-go-ride of love  
A spinning, turning, floating on air kind of love  
Take you on a merry-go-ride of love...
