

## More Love

Smokey Robinson

Let it be soon, don't hesitate  
Make it now, don't wait  
Open your heart and let my love come in  
I want the moment to stop when I can fill your heart  
With more love, and more joy  
Than age or time could ever destroy  
My love will be so solid  
It would take a hundred lifetimes  
To live it down, wear it down, tear it down

This is no fiction  
This is no act  
This is real, it's a fact  
I'll always belong only to you  
Each day I'll be living to make sure  
I'm giving you more love and more joy  
Than age or time could ever destroy  
My love will be so solid  
It would take a hundred lifetimes  
To live it down, wear it down, tear it down

As we grow older no need to fear  
When you need me I'll be here  
I'll be beside you every step of the way  
A heart that's truthful and keeping you youthful  
With more love, more joy  
Than age or time can ever destroy  
My love will be so solid  
It would take a hundred lifetimes  
To live it down, war it down, tear it down
