

# Train of Thought

Smokey Robinson

Come on, baby  
Ride my train of thought  
Come on, baby  
Know my mind inside  
Come on, baby  
Ride my train of thought, oh...  
Come on, baby  
You've got a ticket to ride

I've got a one track mind  
Headed in your direction  
The wheels keep on turning  
Every thought concerning  
What I can do to get me next to you

Come on, baby  
Ride my train of thought  
Ride, ride, ride  
Come on, baby  
Know my mind inside  
Oh, come on, baby  
Ride my train of thought, oh...  
Oh, come on, baby  
You've got a ticket to ride

Tune in on my wavelength  
The power of my suggestion  
Mental instigations  
Intimate vibrations  
Calling to me through telepathy

Come on, baby  
Ride my train of thought  
Come on and ride, come on and ride  
Come on, baby  
Ride my train of thought, ooh...

Come on, ride, ride  
Come on, ride, ride, baby

Come on, ride, ride, baby, ride  
Come on, ride, ride

Come on, baby  
Ride my train of thought, ooh...  
Come on, baby  
Know my mind inside  
Oh, come on, baby  
Ride my train of thought, oh...  
Come on, baby  
You've got a ticket to ride, ride

Come on, baby  
Ride my train of thought, oh, yeah  
Come on, baby  
Know my mind inside, oh...  
Come on, baby

Ride my train of thought, ride, ride  
Come on, baby  
You've got a ticket to ride...
