

# Why You Wanna See My Bad Side

Smokey Robinson

Why you want to see my bad side  
Baby, baby  
Don't you know you drive me crazy  
Oh, yeah, it's true, you do  
Why don't you just let me love you  
The way I want to  
I just want to kiss and hug you  
Oh, yeah, it's true, I do  
Can't you see, it's you and me  
Not them, not those, not they  
But it's you and me, baby, yeah

You want to see my bad side  
Just fussin' over nothin' and gettin' mad, well  
Verbal stones hurt my love bones  
Got me doin' things against my nature, yeah  
Sometimes I think I overrate you

Child, honey, honey child  
I just want to treat you right now, baby, yeah  
Treat you good, you know I could if you let me, well

Well, well, baby, oh...

I know with love comes from problems  
But jumpin' up and down just ain't gonna solve 'em, no, no  
Sometimes I want to leave you alone, baby  
I don't dig no sadomasochism, no  
It just throws my life all out of rhythm

Oh, child, honey, honey child, yeah  
I just want to treat you right now, baby, baby  
Treat you good, you know I could if you let me

Why you want to see my bad side  
Baby, baby  
Don't you know you drive me crazy  
Oh, yeah, it's true, you do  
Why don't you just let me love you  
The way I want to  
I just want to kiss and hug you  
Oh, yeah, it's true, I do  
Can't you see, it's you and me  
Not them, not those, not they  
You and me, baby, yeah

Oh-oh, child  
Ooh, baby, oh, yeah  
Want to see my bad side  
I just want to treat you right now, baby  
Let me, let me, let me, let me, let me  
Treat you right now, baby  
Treat you good, you know I could if you let me

Well, well, baby, well, baby, yeah

Why you want to see my bad side

Baby, baby  
Don't you know you drive me crazy  
Oh, yeah, it's true, you do  
Why don't you just let me love you  
The way I want to  
I just want to kiss and hug you  
Oh, yeah, it's true, I do  
Can't you see, it's you and me  
Not them, not those, not they  
You and me, baby
