

## Star Struck One

Smoking Popes

Evening star struck one  
Wondering how come  
Suddenly becoming completely undone

Just as I looked into your eyes for the first time  
I was already in love with you

Nothing in my dreams  
Could possibly have braced me  
For the feeling that faced me

Just as I looked into your eyes for the first time  
I was already in love with you

My heart tapped me on the shoulder  
And whispered in my ear:

"Don't be a pussy all your life."
