Smoking Popes

Baby
I know I've been wrong before
so many times
this time I'm sure

tell me
just what are we waiting for
oh Stefanie

we live
all our second chances
to make this right
don't break it this time

you are
the one I've been waiting for
oh Stefanie

oh, baby
I know I've been wrong before
so many times
but this time I'm sure

you are the one I've been waiting for
oh Stefanie

Oh, Stefanie (repeated)
