

## 10 Lil' Crips

Snoop Dogg

10 lil crip niggas runnin outside all from the turf and they bangin out rides far from a scrub cuz from the east side where they dont die they just muultiply so (so) dont give them niggas reason to turn it in to spray season (what) dont give them niggas a reason cuz they'll turn it to crip season

the gangstas back the bank is fat the gangsta mac in a gangsta lac hmm fools be like break off some cheese friends and enemies all nigga please fuck u thought who brought you up stop you stuck too much pop drop you pluck its all similar to gettin laid on yo back on the motha fuckin case sprayed i grind for my shine bout my bisness lunatic on dis shit and i get ignet go on and proceed to squeeze with ease wannabe's they cant believe how i leave look into the mind of a nigga thats crazy 17 years old still a baby gangsta real they pop the pill you cap back young m othafucka its like that

10 lil crip niggas runnin outside all from the turf and they bangin out rides far from a scrub cuz from the east side where they dont die they just muultiply so (so) dont give them niggas reason to turn it in to spray season (what) dont give them niggas a reason cuz they'll turn it to crip season

Wake up in the mornin lookin funny and shit fuck a honney dip cuz i got money to get aint no books aint no help aint no role dis stay focused young homie thats the code to dis keep a strap in ya pocket when you dip through the town cuz its a million m otha fuckas tryna get you down alot of pain in this game cocaine is the thang if ya money right then you might you a chain but if ya money is low there's only one way ta go jack a rapper at a local rap radio show so mean so clean crip back to tha block den brag to da homie show'em what you got its a gangsta jack and gangsta lack and they thought we just gangsta rap (ha-ha) yea nigga we take yo snaps yo shooby dooby harubees and yo scooby snacks

10 lil crip niggas runnin outside all from the turf and they bangin out rides far from a scrub cuz from the east side where they dont die they just muultiply so (so) dont give them niggas reason to turn it in to spray season (what) dont give them niggas a reason cuz they'll turn it to crip season

Its a whole lot of feelin when you on da east side on da east side nigga we ride its a whole lot of dealin when you on da east side in da east side nigga we ride its a whole lot of stealin when you on da east side in da east side nigga we ride its a whole lot of killin when ya on da east side, east side yea nigga we ride

10 lil crip niggas runnin outside all from the turf and they bangin out rides far from a scrub cuz from the east side where they dont die they just multiply so (so) dont give them niggas a reason to turn it in to spray season (what) dont give them niggas a reason cuz they'll turn it to crip season

They say it crazy out here it aint no more fun i cant walk nowhere with out my gun
