

Diamond Life

Snoop Dogg

A dream of mine I seem to find (Seem to find)
Grapes make wine, but it takes time (Takes time)
A diamond shine, that's how you define
Baby, I'll be back for more
Ain't no turnin' back, ain't no lookin' back
It's the D-O-Double G with MJB

I'm a blessing, you can't tell me life ain't predestined
People follow and I don't even know them
Tellin' me to never stop and keep goin'
You shootin', but you can't block my blessin'
Standin' strong in the fire, gettin' tested
With my head to the sky, tell you know lies
All this hell and got shine

Diamond life
Yeah, I'm living my diamond life
And every day ain't the brightest light
Sometimes it's a cloudy night
But I'm still living my diamond life
When I shine, I'm the brightest light
I control how I feel inside
I'm living my diamond life, diamond life

You can be-be so fine all the time
Angela B stay fine like wine
Halle B still all in her prime
MJB gettin' better with time
If that's not enough, I don't know what to tell ya
A true example of women who push through their failures
It's all about goin' against the grain, we rebellious
Rain or shine, we can take the weather
I thought I was takin' a loss
Stinkin', thinkin' goin' backwards, I was payin' the cost
Silly me, I didn't know I was so powerful
All the dark dimmin' my light, I had to let it go (Let it go)
(Bring it back)
I thought I was takin' a loss
Stinkin', thinkin', goin' backwards, I was payin' the cost
Silly me, I didn't know I was so powerful
All the dark dimmin' my light, I had to let it go (Let it go)

Diamond life
Yeah, I'm living my diamond life
And every day ain't the brightest light
Sometimes it's a cloudy night
But I'm still living my diamond life
When I shine, I'm the brightest light
I control how I feel inside
I'm living my diamond life, diamond life

Think 'bout this life I'm livin'
One hell of a feelin'
I'm so glad I listened
Got my game, I'm on a mission
I'm evolv'in', problem-solv'in', livin' that diamond life (Life)
I'm evolv'in', problem-solv'in', livin' that diamond life

I'm living my diamond life (Livin' that diamond life)
Oh, I'm livin', I'm livin' my diamond life, my diamond life
(Livin' that diamond life)
Oh, I'm livin'

Diamond life
Yeah, I'm living my diamond life (Yeah)
And every day ain't the brightest light (Ooh)
Sometimes it's a cloudy night (Cloudy night)
But I'm still living my diamond life
When I shine, I'm the brightest light (I'm the brightest light)
I control how I feel inside (I control)
I'm living my diamond life, diamond life
