Snoop Dogg

(Hi Music Hi Flow)
Y'all know who this is
(Ozuna, jaja)

Every time I come to town (Uh)
Shortie bad, she gon' bust it down (Yeah)
She know about the digits in my bank account
And she love the way I do it when I'm in it (Ooh, oh)
Every time I come to town (Uh)
Shortie bad, she gon' bust it down (Yeah)
She know about the digits in my bank account
And she love the way I do it when I'm in it (Ooh, oh)

From the LBC shore, wheels up on the G4
Louis bag with the Gucci loafers, silk shirt with a mink coat
Flying in, selling game to all you hoes and you're buying in
Legend in your presence, hiding
Got a room full of bitches and they lying there
High in there, ain't no fire, but a lot of wine in there
They get it, ain't no WiFi
On the low, close the door, bitch, I Spy
See when I pull up, jump in, we slip out
Roll up, roll out, get mine, dip out
She had to come and give a real Crip a taste
Out of pocket, never stay in that stripper's place
They brown ass with some fat titties
And baby make magic when I'm in the city

Every time I come to town (Uh)
Shortie bad, she gon' bust it down (Yeah)
She know about the digits in my bank account
And she love the way I do it when I'm in it (Ooh, oh)
