

## Let It Out

Snoop Dogg

Well it's the super duper Snoopa once again I'm on the fly  
Swoopin through I'm in my coupe and all the bitches want a ride  
If it's trippin like I'm clippin I'm still grippin on my nine  
We be Crip'n while I'm dippin with my C's up in the sky  
And the East is still my side, I'm a reaper when I ride  
Fuck a feature, I don't need a motherfucker, I'm the guy  
I delete 'em, stampede 'em, straight eat 'em like some fries  
Get a ketchup, get 'em messed up, turn the heat up let 'em fry  
Ain't no different when I'm rippin, pimpin's still up in his prime  
TV shows, movie hoes, pimpin's still up on his grind  
Man these hoes don't know, I'm workin with a nine  
I ain't talkin 'bout a gun, I'm talkin feel it in your spine  
when I hit it from behind, if I go up in your mouth  
I might hit you in the mind, you know what I'm talkin 'bout  
It'll thrill ya, I'm the stealer that'll kill ya with the rhythm of a  
trigger  
Motherfucker better duck before I hit her, bang!

Dogg-y Dogg, is all, you need  
So love, the Dogg, like we, love weed
