Hey look I'm only in town for a night
And when I pull up man the crowd get hyped
And everybody love me, the browns to the whites
You live like a movie but a movie my life

I'm the life of the party (Every time I show up)
I'm the life of the party (Every time I blow up)
I'm the life of the party (Every time I show up)
I'm the life of the party (Every time I blow up)

Now go and roll up the Swisher
But don't drink all my liquor
You know it's all good my nigga
Give me one second, I'll pose for your picture
Like cheese, cheese, cheese, cheese, cheese
Now everybody just freeze, freeze, freeze
Now DJ bring the music please

I'm the life of the party It don't take much, for me to get started Every time you see me, I'm with a bunch of girls Straight to the table, in my own world The ballplayers know me, movie stars too See my homie Snoop, we doin' what we do Don't matter where we at, Miami or Vegas Every time you ask me, yeah I'm a player (Beotch) Cause I'm the life of the party I got ten bad bitches, actin' retarded I'm tryin' to meet a few new ones What's up with you girl, maybe we can do somethin' Do you drink, do you smoke? I could tell by your purse and your shoes you ain't broke Hang with me, the first thing you do is get stuck Take you somewhere, later on you'll get fucked, beotch!
