

# Pure Gold

Snoop Dogg

Though we are tried like silver in the fire  
We come out as pure gold  
We must be refined  
And then we need a shine  
We come out as pure gold  
There is a process  
To our fullfillingness  
There is signifigance  
To every experience  
From each trial we learn  
We learn  
We learn  
Our... our foundation becomes firm... our  
Our foundation becomes firm

We're casted then melted  
Like brass, tin, and iron  
We become like a stone  
We're carved, scraped and shaven  
Like rock, wood, and metal  
We become like a stone

The rock of salvation  
(The rock of salvation)  
A sure foundation  
(A sure foundation)  
Steadfast unmovable  
(Steadfast unmovable)  
Strong as Mt. Zion  
(Strong as Mt. Zion)  
Fit for the Master's plan  
We know all things work together  
We know all things work together

Tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
We're tried  
We're tried  
Yes we are  
Yes we are  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Yes we are  
Yes we are  
Yes we are

Yes we are  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold

Lord make us whole  
Lord make us whole  
Lord make us whole  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Though we're tried in the fire, we come  
Out as pure gold  
Yes we are  
Yes we will
