Fee-fi-fo-fum, I'm watching it go dumb
Titties jiggling, ass wiggling
And my bitch wanna come
Big ass, bring it over
Rev it up like a motor
Talk that shit witcha booty
Leg up over your shoulders
Fuck that soft shit, bitch make it bounce hard
Like you riding on the dick of a superstar
Ass everywhere, bitch got some true skills
Fuck around and we gonna do it for real

Now you want it, if you want it
If you really need it, if you really need it
You want me to get it, want me to get it
They say it witcha booty, say it witcha booty
Now tell if you want it, bitch say it witcha booty
If you really need it, say it witcha booty
Want me to get it, say it witcha booty
Just say it witcha booty, bitch say it witcha booty

Bitch slide down the poles
Ass on super swole
Another bitch right on top
Pussy right on your nose
This bitch on freaky shit
She how to squeeze a dick
But after all is said and done
I'm just gonna leave the bitch (See ya)
Headed to the strip club, straight to the DJ booth
And made a quick dub, and I got a dick rub
Bitches on my line, they gone keep trying
But if you shake some ass bitch, I got time
She got slow work, on that pole work
She can stretch that ass but it don't hurt
Looking like an hourglass, treat em the same with no difference
Look at all the ass on them bad bitches

Now you want it, if you want it
If you really need it, if you really need it
You want me to get it, want me to get it
They say it witcha booty, say it witcha booty
Now tell if you want it, bitch say it witcha booty
If you really need it, say it witcha booty
Want me to get it, say it witcha booty
Just say it witcha booty, bitch say it witcha booty

Work, work it, work, work it
So big, so perfect
Twerk, twerk it, twerk, twerk it
Don't break it, don't hurt it
Work, work it, work, work it
So big, so perfect
Twerk, twerk it, twerk, twerk it
Don't break it, don't hurt it

I love it how you make your booty talk
I didn't know you could make it talk
I knew you could make it clap
But now you saying, you saying something
