

# So Many Pros

Snoop Dogg

Meet Me out

Can you make it, please don't make me lie to you lady  
I'm in it, I'm not in it, but poochie says women  
At the club we finna go, sip some drink and get some dro  
It's ok if you don't go, I'll make sure to tell you bout these pros  
It's like somebody's growin' them on trees  
So many pros, it's like somebody's growin' them on trees  
So many pros, it's like somebody's growin' them on trees  
So many pros, it's like somebody's growin' them on trees  
So many

All the ugly people, hold on  
I can see all the pretty people, on  
Not saying that I've never been wrong  
But tonight I got me a hot, come on  
Now let me talk to ya girl

For your um, for your information baby  
I'm that winner, you need to go and have somebody  
For your um, for your information baby  
I'm that winner, you need to go and have somebody

Party til the break of dawn  
Every girl just dance with nothin' on  
Where we at, they don't see nothin' wrong  
Do you know we were outside, hold 'em on  
Now let me talk to ya girl

For your um, for your information baby  
I'm that winner, you need to go and have somebody

[?] good music, come on  
It can get inside your head, like porn

By yourself like whatchu grabbin' on  
Then look down it was so much fun  
Let me talk to ya girl

For your um, for your information baby  
I'm that winner, you need to go and have somebody
