

# Sunshine Feel Good

Snoop Dogg

One, two, one, two  
One, two, one, two  
Peace signs, can ya put 'em up  
One, two, one, two  
One, two, one, two  
One time, can ya put 'em up  
One, two, one, two  
One two, one, two  
If ya hear it on the radio, turn it up  
Huh, don't fuss sunshine feelin' real good

It's just another, just another day that the lord has (give me, give me)  
It was no goodness of my own  
It was you and you alone  
You deserve all the glory  
Peace signs in the sky if ya feel good

Once a time when a storm came in my life  
Didn't know which way to turn, to the left or right  
Out the corner of my eye, saw a little light  
Flickerin' like a flame in the darkest night

It's almost mornin'  
Just let the sun, sunshine in  
Sunshine in

One, two, one, two  
One, two, one, two  
Peace signs, can ya put 'em up (can ya put 'em up yeah)  
One, two, one, two  
One, two, one, two  
One time, can ya put 'em up  
One, two, one, two (one, two, one two, one two)  
One two, one, two  
If ya hear it on the radio, turn it up  
Huh, don't fuss sunshine feelin' real good

A lotta people do me wrong, but I wanna do the right thing (right thing)  
Sit back with my pedal on the medal and I'm cruisin' on the highway  
Why you passin' out blessin's on your people, aren't you the blessin' my way

And my good days outweigh my bad days  
And I won't complain  
You knew from the beginning  
That sometimes you might feel alone  
But don't look now it's almost...  
Mornin'  
Just let the sunshine in  
The sunshine in yeah  
Sunshine in  
No-ooo-ooo

One, two, one, two  
One, two, one, two  
Peace signs, can ya put 'em up (can you put 'em up again)  
One, two, one, two  
One, two, one, two

One time, can ya put 'em up (can you put 'em up again)  
One, two, one, two  
One two, one, two  
If ya hear it on the radio, turn it up  
Huh, don't fuss sunshine feelin' real good

You bring the sun out  
You bring the sun out, sunshine  
You bring the sun out  
You bring the sun out, sunshine  
Sunshine-ine, sunshine-ine  
You bring the sun out  
Don't front, you know this sunshine feels good...  
In my hood

That sometimes you might feel alone  
But don't look now, it's almost...  
Mornin'  
Just let the sun, the sunshine in, the sunshine in  
Sunshine in  
Ooh-ooaa-oh

One, two, one, two  
One, two, one, two  
Peace signs, can ya put 'em up (can you put 'em up again)  
One, two, one, two  
One, two, one, two  
One time, can ya put 'em up (can you put 'em up again)  
One, two, one, two  
One two, one, two  
If ya hear it on the radio, turn it up  
Huh, don't fuss sunshine feelin' real good
