

# Superman

Snoop Dogg

Too many pain pills too much pot  
Trying to be something that I'm not  
Superman  
Superman  
Trying to do more than I can got a little outta hand  
I ain't Superman

Know what I'm talking about

I blew my throat and I blew my tour  
I wound up sipping on soup d' jour  
I wasn't Superman  
Oh no I wasn't Superman  
I'm trying to do more than I can I got a little outta hand  
I wasn't Superman

Well the doctor said son it's a crying shame  
But you ain't Clark Kent and I ain't Lois Lane  
You ain't Superman  
You ain't Superman  
Trying to do more than you can got a little outta hand  
You ain't Superman

Well when I die put it on my stone  
God said Snoop you take your bad ass home  
You wasn't Superman  
No I wasn't Superman  
I'm trying to do more than I can I got a little outta hand  
I wasn't Superman

I'm trying to do more than I can I got a little outta hand  
I wasn't Superman
