

Torn Apart

Snoop Lion

[Verse 1: Rita Ora]

I heard him speak but then I saw his face
I knew he was the one because I dreamt this day
I was such a beginner on this thing called love
And now he's going away and now I'm torn apart, so torn apart

[Hook]

You're one of them (hey)
You see me sweat (hey)
You pullin' triggers let you sweat another day (hey)
Say goodbye to the one that got away

[Verse 2: Snoop Lion]

Her lips were the very first thing that I saw
She flew like an angel and that made me want her more (want her more)
My reputation says I'm there for love
And now she's going away and now I'm so torn apart
So torn apart

[Hook]

[Verse 3: Snoop Lion & Rita Ora]

Never let you get away
Shouldn'ta let you got away
Get away, got a way
Gotta find another way
Never let 'em get away
Gotta find a way to stay
Never let 'em get away
Never let 'em get away

You never let her go
You never let her go
It feels right

You see me?
You hear me? (Yep)
Hey

[Hook]
