

# You Could Be Happy

Snow Patrol

You could be happy and I won't know  
But you weren't happy the day I watched you go

And all the things that I wished I had not said  
Are played on lips 'till it's madness in my head

Is it too late to remind you how we were  
But not our last days of silence, screaming, blur

Most of what I remember makes me sure  
I should have stopped you from walking out the door

You could be happy, I hope you are  
You made me happier than I'd been by far

Somehow everything I own smells of you  
And for the tiniest moment it's all not true

Do the things that you always wanted to  
Without me there to hold you back, don't think, just do

More than anything I want to see you go  
Take a glorious bite out of the whole world
