

Beautiful

Social Code

People always try and put me down
But I, I don't ever give a f**k what people say
I try and listen to the voice inside my head
I try, I try, I try

[Chorus]
I feel so Beautiful today
bababababadaba
You're just so typical
You can't break me

I'm not ever gonna fall in line
cause I, I don't wanna be another plastic mind
I try to listen to the voice inside my head
I try, I try, I try

[Chorus 2x]
I feel so Beautiful today
bababababadaba
You're just so typical
You can't break me

I feel so Beautiful today
bababababadaba
You're just so typical
You can't break me

You're just like everybody
Why would I wanna be like you?
