

# Through Toxic Veins

Sodom

Arousing Kiss of Tempting Pointed Lips  
Penetrating Scuff-marked Abiotic Flesh  
It Clarifies My Sceptic View of Life  
Sucks Me in My Darkest Nights

Dissolving All My Soul's Extract  
In My Enraptured Mind  
A Pathogen of Cruellest Dreams  
Succumb to My Desire  
Snake of Decay  
Bloody Stains  
Through Toxic Veins

Mental Impurification in Progress  
Teasing with These Rattlesnakes  
I'm Saddle-sore Through My Ride of Gore  
Crucifixion of These Rotting Corpses

Shooting at the Frontline  
Spitting from the Top  
And on My Way Back  
I Will Step the Mob  
I'm Raped and Caressed  
Inside My Head  
Through Toxic Veins

Decapitated  
Devastated  
Amputation  
Vivisection  
Reciprocated  
Reanimated  
The Evil Is Inside  
Trapped Is My Faith Into You

Carnivorous Ferocity  
Disfigured Chunks of Flinching Meat  
The Epidemic Spreads with Tremendous Wrath  
Decomposing Fragmented Carcass

Frenetically I Fall for Thee  
Through Toxic Veins  
My Deadly Elixir  
I Roam and Seek  
Embalmed and Meek  
Through Toxic Veins  
Through Toxic Veins
