

Monastery of Sodomy

Sodoma Gomora

[1 - Mario Bava]

You're dead like Michael Jackson

We lust for slashing your vault or stabbing your thoughts to fractions

Feast like the mice and rats from mamal snacking

Unlawful packing if you're Bible bashing

like we never put it to rest, I'm laughing at your AIDS and vascular infection

I'm back, you run, I'm stashing bombs in the catacombs

You're smashed with sacks of stones, then pack your gat just like a parking cone

Attack your hymen, hunt your diamond, now you're lacking tone

You're not alone, your bladder emerging, you're blowing dick like saxophones!

It's getting bloody, love that time of the month

Vaginas and cunts, veil them like they died on the munch

You know diners involve torments, we kicking that old's hymens

I'll send them underground until they're living with coal miners

It's commonly a comedy, the Monastery of Sodomy

Nuns and bitches be going dead, I'm mean like the economy

I'm savage, I threat, if I came hacking your head

or bring you back from the dead and have your back with my bat, bitch!

[Chorus - Dyad Souls]

Sodomize!

Rape wives with a lot of knives

Mortify!

Shamans with a lot of lives

Horrrify!

Leave a virgin with a lot of guys

Gonna die!

You're there laying with a lot of flies

[2 - DeSade]

Je to Sodoma, ohromná pohroma, lidi padaj do koma

Mocnost a zvrácenost, kdo to má?

V klášteru sodomii, jak doma krvavý aroma

Mr. DeSade, vznik klášterního démona

V centru sodomie, kde se na mrtvý těla chčije,

si tvůj dědek s babkou užije až jim urvem genitálie!

From Czech Republic (Sodoma Gomora, assholes!)

to Australia (Dyad Souls!)

Jeden klášter máme v Sydney a druhé je v Praze

a jak tady, tak tam lidi válej se po podlaze

Nesnáze doprovázej hajzly HC

Bitka, krev z mejch těl, tu tu pijem na extáze!

Jde se do fáze, kde se prej ve mně skrytý prase kvase

Po vypitý base mácham mrtvým pusu v ocase

DeSade neptá se, jestli tohle má se nebo nemá se

Monastery of Sodomy, je na čase rozmrdat to zase!

[Chorus - Dyad Souls]

Sodomize!

Rape wives with a lot of knives

Mortify!

Shamans with a lot of lives

Horrrify!

Leave a virgin with a lot of guys

Gonna die!
You're there laying with a lot of flies

[3 - Řezník]

Já jsem M. Engele, vládce klášterní komnaty
Rvem péro do prdelí jak do zeminy lopaty
Biskupy, opaty, mlátíme do paty
Z kuřete biskupy rvem jim do oka
Ty pičo, chci dukáty od tvýho pantáty
Pošlu mu nehty, co ti vyrveme ze hnát
Ty, co to máš v prdeli? To jsou snad granáty
Ne, to jsou hemeroidy, jsou krví nasátý!
To je sen sodomity, mýty, prdele nemytý,
bitý prdele jak zlitý, mýty krví zalitý
Mýty shity pokrytý, dalšími shity nabitý
a naše dicky nalitý s nimi sváděj souboj lítý!
Vydáváme feat jak margarity na Tahiti
Dneska jsou to Dyad Souls z Austrálie, Sydney City
Drtíme tu klity čuráky jak stalagmity
hodně vyvinutý a nahoru zahnutý!

[Chorus - Dyad Souls]

Sodomize!
Rape wives with a lot of knives
Mortify!
Shamans with a lot of lives
Horrrify!
Leave a virgin with a lot of guys
Gonna die!
You're there laying with a lot of flies

[4 - Dario Argento]

Fist fucking the bitch until she vomits chunks of fish,
I'm a sadoomasochist and you're a tasty fucking dish
Bring your face up on my wrist, razor blade and back to twist
I'm embracing Satan's wish who leaves your face up in a ditch
Perverted as demons, excursions of semen,
The virgins, I'm squeezing their pretty nurse's haven
A vaginal surgeon of gynaecology,
prepare for re-surgin of splatter colonies, uh
Excuse me miss, may I kick you in your uterus?
You're frail like a Petri dish, it's plain to say I'm brutalist
Watching the killing, now you're lost in the Villainshire
and locked in the villa on top with some puritans
Walk in the black coats, black mask, Black Pope
Axe in your backbone, crack, slash, hack throats
Just chilling at a monastery hidden in the Czech rap
Killers, follow me, if your dick wants to get wet!

[Chorus - Dyad Souls (2x)]

Sodomize!
Rape wives with a lot of knives
Mortify!
Shamans with a lot of lives
Horrrify!
Leave a virgin with a lot of guys
Gonna die!
You're there laying with a lot of flies
