## **Theory Of Pride In Tragedy**

Elixir of logic

## **Soilent Green**

Superhero stature, until this world falls apart Jesus Christ with a cape on Taboo truth to never kiss heaven Disaster on the prolific decline on unity A stone thrown by a bastard of misconception Better know your facts and not just rumors from the time before Drowning existance down to a cause Forgiveness in multitudes Adverse silenced hope Curious opinion loss Nauseating objectives Onslaught of personal salvation Jaded outlook of lost reputation Burning independence for a nation's lie This broken tongue of wisdom Engage in diverse depression Resent this obsessed takeover Face the facts of oppression Pretentious in these faltered ways Settle for this scourge of silence Slander names of the dead Principles of self annihilation A flaw in history Victim in faith Losing these days Decision of voice Sound of repress Hymn for the dead Yesterday's rage Tragic outlook This end comes clear These buried ideals unearth the past Unjust, Lifeless, Temper, Dissect Picking through this unstable event Ignite, escape, burning down these walls Symptomatic in a spiral emotional dissonance Equation of convulsion Force feeding a bride Desire catching us off guard Choking on lies Raising the interest to this hidden pride Like when you were a child Turning turtles on their backs Leaving them in the sun to die Starting another soapbox argument An amazing change of events Guilty until proven innocent Celebrate the worthlessness of this ignorance The triumph of silence for the ingenious Don't turn this gun away Lying in this rage to keep Despise the attitude of the praying silence Choking words of chance in emotionally mindless Sounds of silence No remorse in demands for the task of trials Tying the knots for necks before they come for the liar

Despise the attitude of your grace
A loss for progress in a challenging stage
Intellectual marketing trap
Preying on the ignorant
Devouring the emptiness
Inside the eyes of a child
Blinding lessons in pride
This pestilence of evolution
Declining the human emotion
Symbolize the dying
Persecuted for mistakes
Rise for power
