Scars on my heart Can't you see What have you done to me Scars  
on my arms, can't you see Where I am sinking

Destruction of the disgusting ugly hate Destruction of the disg  
usting ugly hate Destruction of the disgusting ugly hate

I got a tattoo on my heart Your name is written in black You ha  
ve tattoos everywhere But my name is not there

Destruction of the disgusting ugly hate Destruction of the disg  
usting ugly hate Destruction of the disgusting ugly hate

I got tears on my cheeks Rolling faster than a rocket-ship You  
stare at me You do nothing Now burning-  
man please wake up and burn me

Destruction of the disgusting ugly hate Destruction of the disg  
usting ugly hate Destruction of the disgusting ugly hate

And now you're leaving But can't you see What have you done to  
me? You're leaving me but can't you see Where I am sinking
