

# Where Is My Mind

Solar Fake

With your feet on the air and your head on the ground  
Try this trick and spin it, yeah  
Your head will collapse, and there's nothing in it  
And you'll ask yourself

Where is my mind?  
Where is my mind?  
Where is my mind?  
Way out in the water, see it swimming

I was swimming in the Caribbean  
Animals were hiding behind the rocks  
Except the little fish  
Bumped into me, I swear he was trying to talk to me

Where is my mind?  
Where is my mind?  
Where is my mind?  
Way out in the water, see it swimming

With your feet on the air and your head on the ground  
Try this trick and spin it, yeah  
Your head will collapse, and there's nothing in it  
And you'll ask yourself

Where is my mind?  
Where is my mind?  
Where is my mind?  
Way out in the water, see it swimming

With your feet on the air and your head on the ground  
Try this trick and spin it, yeah  
With your feet on the air and your head on the ground
