

## Pretty Face

Sóley

I see my pretty face in his old eyes  
I listen to our blood run side by side  
I throw my hands to you  
And run away  
Its so cold so dangerous that I can't stay

I run away from you  
Into your dream and who  
the one  
That I was in when you took me  
That I could never meet my friends  
Again

I thought I touched them but I can't feel them in your dream  
They want to take me but I will hide from them  
Tonight I take your life and throw it far away  
I'll use my pretty face to find my way to him

I run away from you  
Into your dream who the one  
That I was in when you told me  
That I could never meet my friends  
Again

Will you be my friend in my dream?  
Just Take that pretty off show me

Will we ever have a baby ?  
Just Take that pretty off show me

Are you my friend ?

Will you be my friend in my dream?  
Just take that pretty face off show me
