

# Keep Looking

Solomon Burke

I'm so happy to be here today  
And for all of you that are searchin' for the answer to your problems of life  
If you're ready right now, we're gonna solve  
And this is all you got to do

Keep looking 'til you find it  
And when you find it, don't quit it  
Keep looking 'til you get it  
And when you get it, don't lose it  
If you're looking for some money, do what?

Keep looking 'til you find it  
And when you find it, don't quit it  
Keep looking 'til you get it  
And when you get it, hold to it  
If you're looking for some love, do what?

Keep looking 'til you find it  
And when you find it, don't quit it  
And when you get it, don't lose it

There's a hole lot of love in life you can get  
But use it that kind of loving  
With a fat-bat-boom-bam-a sham-a-lam

Keep looking 'til you find it  
And when you find it, don't quit it  
Keep looking 'til you get it  
And when you get it, don't lose it  
If you're looking for a sweetheart, do what?

Keep looking 'til you find it  
And when you find it, don't quit it

I'm lookin', I'm lookin', I'm lookin' everywhere  
I'm lookin', I'm lookin', I'm lookin' everywhere

There's a hole lot of love in life you can get  
But use it that kind of loving  
With a fat-bat-boom-bam-a sham-a-lam

Keep looking 'til you find it  
And when you find it, don't quit it  
Keep looking 'til you get it  
And when you get it, don't lose it

I'm lookin', I'm lookin', I'm lookin' everywhere  
I'm lookin', I'm lookin', I'm lookin' everywhere  
I'm lookin', I'm lookin', I'm lookin' everywhere  
I like it like that, I like it like that...  
Everybody, come on, hold me tight...
