

Then You Can Tell Me Goodbye

Solomon Burke

Kiss me each morning for a million years
Hold me and keep me by your side
Tell me you'll love me for a million years
Then if it don't work out, if it don't work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sighs

Tell me you'll love me for a million years
Then if it don't work out, if it don't work out
Then you can tell me goodbye

If you must go, no I won't grief
Even if it will take a lifetime
Darling, before you leave
But if you must go, I won't tell you "no"
Just so what we can say goodbye
Tell me you'll love me for a million years
Then if it don't work out, if it don't work out
Then you can tell me goodbye
