

This Little Ring

Solomon Burke

This little ring
May be silver or brass
If it comes from your heart
Your love has got to last

It may not gleam like rubies
Well, it may not glow like gold
But it will shine just like diamonds, diamonds
If it comes from your soul

Mm, they said I'd leave you
They said our love couldn't last
But oh how do they know
Darlin', you're on my mind

All of the time
Don't you know that I love you so

This little ring that I give to you
Please, wear it always
Be faithful, just be true

It may not gleam like rubies
Well, it may not glow like gold
But it will shine just like diamonds, diamonds
If it comes from your soul
If it comes from the soul
