

Cardinal Rules

Someone Still Loves You Boris Yeltsin

I was driving down 44
Got my red on the radio
We were coming back, rally cap
Made it time for one more bat
My cardinal rules are all i got
We can't lose we got one more shot, tonight

I'm going downtown
Springfield, alright!
Oh, tonight

I got jackie on my mind
And payne in my heart
Hey melody, we need 3
Hey ned (it's the place to be!)

This could be our night
My cards are playing right
