

In your eyes I've seen the sky, I've seen it all
When ya told me, you had lost it, I saw you fall
In your eyes I, see the lines all start to form
Should I cross them, for ya turn them into walls?

Some people give up
Some people hold out
Some people search all their lives for what we've found
So don't you go on and on with doubt, not now
Don't throw it down

It's in your eyes
I can tell that you're lonely
I see it in your eyes that you're wanting to hold me
Where we draw the line
We say it every time
But I see it in your eyes that you're wanting to hold me
Where's the line?
Where's the line?
Where's the line, when you're wanting to hold me
Where's the line?
Where's the line?
Where's the line, when you're wanting to hold me

In your eyes, I've seen the tries, I've seen you stall
When ya told me it was over, never thought you'd call
Every time I see the lines all, start to form
I will hold you, will you let me be your thrones?

Some people give up
Some people hold out
Some people search all their lives for what we've found
So don't you go on and on with doubt, not now
Don't throw it down

It's in your eyes
I can tell that you're lonely
I see it in your eyes that you're wanting to hold me
Where we draw the line
We say it every time
But I see it in your eyes that you're wanting to hold me
Where's the line?
Where's the line?
Where's the line, when you're wanting to hold me
Where's the line?
Where's the line?
Where's the line, when you're wanting to hold me
