

## Neck

SoMo

Oooo the way you do  
The way you move  
The way you rock that body right  
Oooo the way you breathe  
The way you shake  
The way you freak that body right  
Ohh the way you know  
The way you grow  
The way you set that right down oh no

From the back  
From the front  
Fill you up  
Full of love  
Whatcha want ohhh ohhh

Sit it on my face  
If you want me  
Girl you're that  
Girl you're that horny?  
Do you wanna be my love?  
Do you wanna feel my touch?  
Do you wanna get me up?  
Oh whoaaaa

We're covered in sweat  
You tell me your wet  
You open your legs up  
Your tongue on my neck  
Your love on my breath  
My only obsession ah

Then you drop it down low  
Speed it faster  
Slowly we match up  
No, no one can catch us wow  
Then I feel you explode  
From the mattress  
Oh and you're gassed up  
When you blow I'm the master right?

Turn the TV down  
Like the light  
But I love hearing sounds  
Think you're done then you hold on tight  
Shoutin' out that you want more rounds

Feeling safe when you love me, ah  
Feeling safe when you touch me, ah  
Feeling safe when you put down all these things and you love me right

Oooo the way you do  
The way you move  
The way you rock that body right  
Oooo the way you breathe  
The way you shake  
The way you freak that body right

Ohh the way you know  
The way you grow  
The way you set that right down oh no

From the back  
From the front  
Fill you up  
Full of love  
Whatcha want ohhh ohhh

Feeling, feeling wild  
Out of mild  
It's a vibe oh no no  
Gotchu, gotchu on sight  
Love of my life  
Think it's time oh no no  
It's a ride, it's a ride, it's a ride oh no  
Come inside, come inside, come inside  
Oh whoa

The rain  
It falls  
Won't waste your call  
You trace  
It all  
I'm yours till the end of it

Oooo the way you do  
The way you move  
The way you rock that body right  
Oooo the way you breath  
The way you shake  
The way you freak that body right  
Ohh the way you know  
The way you grow  
The way you set that right down oh no

From the back  
From the front  
Fill you up  
Full of love  
Whatcha want ohhh ohhh
