

Oh No

SoMo

I woke up in my underwear
If I bid you won't you dare
Havin' fun with me is rare
If I love you would you care?
Ah, say you wanna roll
Say you wanna run with me, and keep me in your phone
Say you wanna lay with me, I'm over goin' slow
Girl, let's just get naked
Dip it like it's '94
She's just a 90's kid
She ain't just any bitch
She don't show many love
She got those mama hips
You got those butterflies
She makes you touch the sky
She hits you when she wants, takes you to overtime
She'll give ya motivation, what you want
Yeah, even when they're hatin' from the front
She'll give you good rotation, that's the one
Won't even hesitate it, oh no no
Oh no no
Oh no no
Oh no no
Oh no no
Oh no no
Oh no no
