

The End of the Rainbow

SoMo

Listen baby, I
Got something to tell you so open your mind
Listen baby, I
I need you for the rest of my life
You are, the one
I would stand for you in front of the gun
Baby, you're the one that's got the gold
You're the end of the rainbow

Would you call me
When you
Need a freak
When you
Need a freak like me
Would you call me, yeah
When your eyes get to looking lonely
You are, the one
I would fly for you right over the sun
Baby, you're the one that's got the gold
You're the end of the rainbow

Girl, I've been missing you
I'm tired of writing these sad songs
And you know that it's true
So, I give my all to you, oh oh
Oh, yeah
And I hope that you call
Cause I'm ready to fall
Today and tomorrow
Til the end of it all
Whoa oh, all right
Oh, yeah, and you got the gold
You're the end of the rainbow

Would you call me
When you
Need a freak
When you
Need a freak like me
Would you call me, yeah
When your eyes get to looking lonely
You are, the one
I would fly for you right over the sun
Baby, you're the one that's got the gold
You're the end, oh, of the rainbow

Cause baby, you're the one that's got the gold
You're the end of the rainbow

Yeah
Please leave the light on
Don't turn away baby
We've been alone for too damn long, yeah
I won't keep you waiting
Don't turn away baby
Visualize what you want

Would ya come calm it down
In the middle of the night
Where dreams are vivid and bright, yeah yeah
Would ya come calm it down
In the middle of the night
Need to feel it inside, yeah yeah
Would ya come calm it down
In the middle of the night
Where dreams are vivid and bright, yeah
Would come calm it down
Oh ooo oh
Oh ooo
Alright
