

The Hour

Son Lux

Embrace
We're still and we sway
The earth holds onto our feet
For now
We are slow-dancing trees

Will we break before we bend
Tangled in each other's limbs
We rise, we fight
We lean, we lean
Into the light

The hour we share
Is it enough?
Climbing the air
Enough?
Body to bear
Is it enough?

Is it enough?
Is it enough?
Is it enough?
Is it enough?

The hour we share
Climbing the air
Body to bear
Is it enough?
Is it enough?

The hour we have
Is it enough?
The hour
Is it enough?
The hour we have
The hour
Is it enough?
The hour
Is it enough?
The hour
The hour
