Catching On

Can't find a reason Can't find a way Guess it's not you and me Only dogs have their day Another case of words that melt It's not a question of right Nightmares in broad daylight Season crash, season burn You survive another turn And now I'm reaching out, it's true When you don't see me, I'm catching on to you You don't see me I'm catching on to you Took a break to get that far Like the sound from a hundred-dollar guitar Bought from an old catalogue Yesterday's dust and heartache As the pieces fall like candy when you're young Medicine when you're old There's no reason or rhyme Sidestepping around On an elevator climb When you don't see me, I'm catching on to you You don't see me, I'm catching on to you Another jail, another burned-out inside Skeleton love left to die Take whatever lies ahead The good with the bad, and leave the rest When you don't see me, I'm catching on to you You don't see me I'm catching on to you
