## **Addicted to Love**

Sonic Youth

The lights are on but you're not home Your mind is not your own Your heart sweats, your body shakes Another kiss is what it takes

You can't sleep, you can't eat There's no doubt, you're in deep Your throat is tight, you can't breathe Another kiss is all you need

You'd like to think That you're immune to the stuff, oh, yeah It's closer to the truth to say you can't get enough Gonna have to face it, you're addicted to love

Tongue is tied, can't read You're runnin' at a different speed Your heart beats in double time Another kiss and you'll be mine

A one track mind, you can't be saved Oblivion is all you crave If there is some for you You don't mind if you do

You'd like to think That you're immune to the stuff, oh, yeah It's closer to the truth to say you can't get enough Gonna have to face it, you're addicted to love

Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love

The lights are on but you're not home Your will is not your own Your heart sweats, your teeth grind Another kiss and you'll be mine

You'd like to think That you're immune to the stuff, oh, yeah It's closer to the truth to say you can't get enough Face it, you're addicted to love

Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love Might as well face it, you're addicted to love

Might as well face it, you're addicted to love Might as well face it, you're addicted to love
