

Do You Believe in Rapture?

Sonic Youth

Stand behind his drunken imp
Stand behind his light of love
Hear him yell his bloody tongue
Hear him yell of blood and war

Do you believe in his sweet sensation?
Do you believe in second chance?
Do you believe in rapture, babe?

A terrible hit strikes today
A terrible hit for the parade
Burning eyes see Jesus coming
Jesus comes to pave the way

Do you believe in his sweet sensation?
Do you believe in second chance?
Do you believe in rapture, babe?

Can you tell me what to feel?
Open up your tender soul
Can I drink your drunken mercy?
Wine burns the devil's home

Do you believe in his sweet sensation?
Do you believe in second chance?
Do you believe in rapture, babe?
