

# No Queen Blues

Sonic Youth

Hey! hey! where you're goin' in such a hurry?  
Take it easy girl and tell me a story  
Move on over here, slow it down  
Tell me why you've been, run out of town

I don't give a fuck, why everybody thinks you should shut up  
Everybody's feat, cause everybody knows that you're the queen o  
f  
NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO!

Hey! hey! where you're goin' in such a rush  
Hey girl I think they think you know too much  
They can't catch you with me cause I move too slow  
Slow enough to know that you gonna have to go

I don't really care why the bullshit artists sit and snap  
They can never find about me and the queen of  
NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO!

I don't really care why the bullshit artists sit and snap  
They can never find about me and the queen of  
NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO! NO!  
NO! NO! NO! NO! NO! NO! NO! NO! NO! NO!
