I will give you all my worship  
I will give you all my praise  
You alone I long to worship  
You alone are worthy of my praise

I will worship (echo)  
With all of my heart (echo)  
I will praise you (echo)  
With all of my strength (all my strength)

I will bow down (echo)  
And hail You as king (echo)  
I will love You (echo)  
Give You everything (everything)

Sing to You a new song from our hearts  
Straight to You
