

## There's A Place For Us

Sonohra

There's a place out there for us  
More than just a prayer or anything we ever dreamed of.  
So if you feel like giving up  
cause you don't fit in down here  
Fear is crashing in  
close your eyes and take my hand.  
We can be the kings and queens of anything if we believe.  
It's written in the stars that shine above  
A world where you and I belong  
where faith and love will keep us strong  
Exactly who we are is just enough  
Yes there's a place for us  
there's a place for us.  
When the water meets the sky  
When your heart is free and hope comes back to life  
When these broken hands are whole again  
We will find what we've been waiting for  
We were made for so much more  
We can be the kings and queens of anything if we believe.  
It's written in the stars that shine above  
A world where you and I belong  
where faith and love will keep us strong  
Exactly who we are is just enough  
Yes there's a place for us  
now there's a place for us  
So hold on now hold on  
There's a place for us  
We can be the kings and queens of anything if we believe.  
It's written in the stars that shine above  
A world where you and I belong  
where faith and love will keep us strong  
Exactly who we are is just enough  
exactly who we are is just enough  
There's a place for us.
