

Everything Is Good

Sophie Hunger

Wouldn't do a handstand
Even if I could
Always take one at a time
Everything is good, everything is good
I went to school to learn nothing
I bought a card to get suite
I smoked this up to keep coughin'
So everything is good, everything is good
Walkin' in the night time
I'm sleepin' in my shoes
But I'm lucky, lucky
I don't have to be with you
I ran to the Olympics
I showed the finish line
I came last
So everything is fine, everything is fine
Mercy's in the ditches
The best friends ain't polite
Burn the optimistics
So everything's alright, everything's alright, everything's alright
Walkin' in the night time
I'm sleepin' in my shoes
But I'm lucky, lucky

I don't have to be with you
I'm walkin' in the night time
I'm sleepin' in my shoes
But I'm lucky, lucky
Lucky I don't have to be with you
I would like to go to prison
All your freedom is my hell
As long as I can keep my vision
Everything is well, everything is well
I would like to go to prison
All your freedom is my hell
As long as I can keep my vision
Everything is well, everything is well, everything
Walkin' in the night time
I'm sleepin' in my shoes
But I'm lucky, lucky
I don't have to be with you
I'm walkin' in the night time
I'm sleepin' in my shoes
But I'm lucky, lucky
Lucky I don't have to be with you
